

HRRL & HRRLE Series Series Strip Clamps

Description:

For OEM's requiring solutions for multiple line runs **HYDAC** offers customized series strips. These clamps reduce inventory and installation time, while providing a more compact solution than multiple DIN 3015 clamps. The design and dimensions are based on the DIN 3015 specifications set forth for single and twin clamps. The Series Strip Program, echoes that of the DIN 3015 Clamps in that it offers similar arrangements, sizes, options, and model coding.

Arrangements:

HRRL: Standard Duty

Arrangements:

HRRLE: Heavy Duty w/ Rubber Inserts

Ordering:

Series Strip Clamps are a custom product which must be quoted on an individual project basis. As with DIN 3015 Clamps, the Series Strip Clamps can be ordered as complete arrangements or as individual components. Series Strip Clamps are available with differing bore sizes. Contact **HYDAC** at **1-877-GO HYDAC** with your specifications to request a quotation.
